

Foundation Document Summary

Access Minneapolis

Prepared for: City of Minneapolis and Metro Transit, Metropolitan Council, Hennepin County, Minnesota Department of Transportation

Date: September 2007 Draft

Prepared by: Meyer, Mohaddes Associates; Nelson\Nygaard Consulting Associates; SEH; Richardson, Richter & Associates

Summary

The plan identifies specific actions that the City and its partner agencies (Metro Transit, Metropolitan Council, Hennepin County, Minnesota Department of Transportation) need to take within the next ten years to implement the transportation policies in The Minneapolis Plan, to improve the city's current transportation system, and to ready it for future growth. Along with action steps, study products include tools that can be used to guide decision-making as action steps are implemented.

The Citywide Action Plan is one of four documents comprising Access Minneapolis. Other elements include a Downtown Action Plan, Design Guidelines for Streets and Sidewalks, and a Streetcar Feasibility Study.
